TRANSFER AGREEMENT BETWEEN JOHNSON & WALES UNIVERSITY AND CAZENOVIA COLLEGE

This agreement, including any exhibits, incorporated by reference herein ("Agreement"), is hereby made and entered into between Johnson & Wales University, a Rhode Island non-profit organization, with a principal place of business at 8 Abbott Park Place, Providence, RI 02903 ("JWU" or "University"), and Cazenovia College, a New York non-profit educational corporation, with a principal place of business at 22 Sullivan Street, Cazenovia, NY 13035 ("CC" or "Partner"), each a "Party" and, collectively, the "Parties." This Agreement is effective on the last date signed by both Parties ("Effective Date").

WHEREAS, CC is developing specific plans for providing appropriate and reasonable ways for its students to pursue their education in the event that it determines voluntarily to close or its degree-granting authority and/or ability to receive disbursement of financial aid is circumscribed or curtailed by the actions of the Middle States Commission on Higher Education, New York State Board of Regents, or the United States Department of Education.

WHEREAS, one option for a school which has determined to close or has ceased to have degreegranting authority is for it to enter into an agreement with another accredited institution that will provide reasonable avenues for affected students to pursue their education.

NOW, THEREFORE, the Parties agree as follows:

Consistent with regulatory and accreditation requirements for a teach-out,

- qualifications. JWU agrees to waive the application fee for students applying through this Agreement.
- b. CC students in the Teach-Out Programs will be considered as transfer students. To the extent not inconsistent with this Agreement, CC students in the Teach-Out Programs shall be treated in accordance with JWU policies and procedures related to transfer students.
- c. CC students in the Teach-Out Programs will be treated in an equitable manner and afforded the same care and consideration provided to all other JWU students, and academic, administrative, and student support services and assistance will be made available to ease their transition from CC to JWU and during their academic experience at JWU.
- d. JWU's obligations under this Agreement do not extend to any matters not explicitly covered by this Agreement. JWU assumes no responsibility for any issues or matters associated with CC's operations, closure, disposition of assets, financial aid responsibilities, debt of any kind or other currently existing or potential financial obligations, legal requirements related to closure or any other matters in any form whatsoever associated with CC's operations and/or closure.
- e. JWU will undertake its obligations described herein at no cost to CC other than the costs associated with transferring student data and information, which shall be borne solely by CC.
- f. For the 2023-24 academic year, JWU agrees to charge CC students admitted to JWU in accordance with this Agreement the same tuition rate that those students would have paid to CC in that same academic year.
- g. CC students applying through this Agreement may be eligible, upon application, to receive scholarships and financial aid, including need-based grants, available through JWU in an amount equivalent to the net financial aid they received from CC in the 2022-23 academic year, provided the students continue to meet eligibility requirements for such aid. To apply for aid available through JWU, incoming CC students must file the Free Application for Federal Student Aid (FAFSA) and add the JWU school code (003404). After submitting the FAFSA and a review by the JWU Financial Services Office, students will receive notification of their respective financial aid awards. Students will also be eligible to apply for undergraduate level federal and state aid (e.g., Pell, TAP).
- h. JWU will waive its residency requirement for CC students transferring under this Agreement.
- i. JWU will award transfer credit for coursework completed at CC only where the CC student achieved a minimum overall grade point average of 2.0 and a passing grade for all CC courses. Transfer credits are not calculated into the student's grade point average at JWU. CC students shall still be responsible for meeting program requirements and prerequisites deemed essential by JWU, and the mere fact that a student has satisfied a general education requirement at CC shall not necessarily mean that such student has satisfied a program requirement, prerequisite, or general education requirement at JWU.
- j. CC students who enroll under this Agreement and complete their degree in accordance with all applicable JWU requirements will receive a JWU degree and diploma.

CC agrees:

- a. CC will provide a list of potential transfer students as soon as practicable. Upon request, CC shall provide JWU with any list related to CC students, including, but not limited to, lists of students who have (1) applied to CC, (2) been admitted to CC, or (3) have deposited funds with CC or signed up for classes for the upcoming academic period.
- b. CC shall promptly transmit to JWU all educational records and other related information of CC students who have elected to enroll at JWU under this Agreement so that JWU may comply with its obligations under this Agreement CC agrees to provide additional necessary information upon request.
- c. CC shall schedule opportunities for CC students to become familiar with transfer opportunities and requirements at JWU.
- d. CC shall provide CC students with guidance respecting their financial aid standing so they may evaluate their opportunities to transfer to JWU.
